MOHAIR MARKET REPORT

MOHAIR MARKET SOFTENS

The mohair market experienced downward pressure at the final sale of the 2018 winter selling season to closed 4.0% cheaper at R278.97/kg. The stronger SA currency made trading conditions difficult, which hampered competition on the day. The Rand traded at R13.61 to the US Dollar and R15.51 to the Euro. The Rand strengthened 3.3% against the US Dollar and 3.5% against the Euro compared with the average rates at the previous sale. The composition of the offering was not as good as the previous sale, although the better quality individual clips attracted better competition amongst the buyers.

The average market indicator of kid mohair decreased with 1.8% to close on R409.41/kg. The average market indicator of young goat mohair declined by 3.3% to close at R318.15/kg. The average market indicator of fine adult mohair decreased with 5.3% to close on R286.06/kg while average prices of strong adult mohair declined with 3.7% to close on R275.80/kg.

The next sale will take place on 12 February 2019.
