VEILINGSVERSLAG / MARKET REPORT W03-2019

KOMMENTAAR

Die skeersels was weereens goed voorberei en van hoë kwaliteit en die mark was basies onveranderd. Die aanvraag in China bly die grootste faktor in die onsekerheid van ons mark. Die koperhuise is tans in China om nuwe kontrakte te beding. Die gemiddelde markaanwyser het in vergelyking met die ooreenstemmende veiling van die vorige seisoen, onveranderd gesluit op R221.74./kg.

COMMENTS

Even though the various clips were well prepared and the quality was good, the market remained unchanged. The demand from China remains the biggest factor for uncertainty in our market. Our buying houses are currently in China to negotiate new contracts. The average market indicator compared to the corresponding sale of the previous season closed unchanged, trading at R221.74./kg.
