COMMENTS / AANMERKING:

The last mohair sale of the 2021 winter selling season ended on a positive note. The previous sale gained a lot with the weakening exchange rate, but this time we did not have the exchange rate in our favor. Despite that, the market indicator still gained 2.7% with a 100% clearance. There was good competition on all lots, but the adults gained the most. Most of the producing areas reported good rainfall, but this season's clip was produced under severe climatic conditions. The farmers must be congratulated that they still managed to increase the offering mass for the season by 3%! Fortunately, the average price also increased with 45% compared with a year ago. All indicators show a positive trend for the coming 2022 summer selling season next year. The best price of the sale went to David Short of Graaff-Reinet for 24-micron B-length winter kid bale at R700.10/kg. The House of Fibre Management and personnel say thank you to all our producers supporting us to maintain our position as the biggest mohair broker. We wish every household on the farm a blessed festival of Christ birth with lots of rain. The first sale of the new season will be held on the 15th of February 2022, with the scale closing date on the 17th of January 2022.

Die laaste sybokhaarveiling van die 2021 winter verkoopsseisoen het op 'n positiewe noot gesluit. Op die vorige veiling het die wisselkoers 'n groot rol gespeel, maar hierdie keer het ons nie dieselfde luukse gehad nie. Ten spyte daarvan het die gemiddelde markaanwyser nog steeds met 2.7% gestyg. Daar was goeie kompetisie op al die lotte, maar veral grootbokhaar het die meeste aandag geniet. Die meeste gebiede in die bokhaar produksie gebied het goeie reënval gerapporteer, maar die aanbod van haar die winterseisoen is gekweek onder uiterse moeilike klimaatstoestande. Die boere moet geluk gewens word dat hulle ten spyte van die droogte, dit reggekry het om nogtans produksie met 3% te laat styg. Gelukkig het die prys ook met min of meer 45% gestyg in vergelyking met jaar gelede. Alle aanwysers toon 'n positiewe neiging vir die komende 2022 somer verkoopsseisoen. Die beste prys op die veiling behaal het gegaan aan David Short van Graaff-Reinet vir 'n 24-mikron, B-lengte baal wat verkoop het teen R700.10/kg. Die House of Fibre Bestuur en personeel wil dankie sê vir elke produsent wat ons ondersteun het die jaar, om te verseker dat ons die grootste sybokhaarmakelaar bly. Ons wil graag elke familie op die plaas 'n baie geseënde Christusfees toewens met baie reën. Die eerste veiling van volgende seisoen word op 15 Februarie 2022 aangebied. Die skaalsluitingsdatum vir die veiling geskied alreeds op 17 Januarie 2022.
